## The Pyramid of Power and Manifestations

The pyramid shape helps to neutralize any access to harmful waves for our health. It is for this reason that it is increasingly used by people who rightly or wrongly apprehend the "subtle energy attacks" of evil people. Installed near the pyramid, tools, food and living beings benefit from curious positive waves. When you are next to a Pyramid, it comforts you and reassures you if you fear being disturbed by people considered evil. This real calamity that generates jealousy, nowadays wreaks havoc at all levels of the family, community and society. He does not spare anyone and can go so far as to endanger each of us. Protecting yourself has therefore become a completely natural reflex.

The precise task of this pyramid is therefore to obstruct all negative waves, whatever the source, and thereby to protect you during your sleep. You can put it, of course in your bedroom and ideally on your bedside table or under your bed.
