Short Description
UL-7060 Orgo-Life® UL-7060 Quantum MedBed® – Butterfly Effect Plus Orgo-Life®

The UL-7060 Quantum MedBed® Energetic Butterfly Effect Plus Orgo-Life® is one of the most advanced and powerful vibrational devices currently available on Earth during Period 9. Designed to harmonize spaces, support sensitive individuals, amplify mental clarity and promote deep cellular resonance, it represents a unique fusion of vibrational science, sacred geometry and quantum intelligence.

Description
Based on more than fifteen years of Orgo-Life® expertise, it combines:

- square-based sacred geometry
  • Orgo-Life® PEMF technology with 32+ Quantum PEMF amplifiers and Quantum Push Technology
  • 126 carefully selected Himalayan crystals placed in precise sacred geometric patterns
  • a selection of 50+ sacred semi-precious stones from around the world
  • noble metals (copper, gold, silver, aluminium, iron, titanium, brass)

• the proprietary Butterfly Effect Plus vibrational signature

…to create a stable, gentle and continuous energetic expansion.

It is designed to operate in:
• workstations
• meeting rooms
• rest areas
• alternative clinics
• retreat centers
• energy-healing centers
• practitioner offices
• reception areas
• individual or group sessions

LARGE RADIUS OF ENERGETIC INTERACTION

When the Butterfly Plus table operates 24/7, a progressive **scalar energetic vortex** naturally forms around it.
This vortex unfolds in every direction and can reach a radius of **10 to 20 kilometers**.

This scalar field, generated by the Orgo-Life® boosters and frequency generators, acts like a **vibrational coherence wave** that:
• re-harmonizes locations,
• stabilizes objects,
• influences energetic patterns in nearby environments,
• and supports the vibrational balance of people within its range.

When used continuously, this technology can gradually influence and uplift the vibrational baseline of an **entire region**.

ORGO-LIFE® WELLNESS SUPPORT (Law 31 Compliant)

Orgo-Life® provides energetic tools for individuals experiencing **complex energetic conflicts**, including those associated with heavy emotional or life challenges such as energy un-balanacement.

Without ever replacing medical treatment — strictly respecting **Law 31** — Orgo-Life® offers vibrational support resources, including:
• a full guide on internal energetic conflicts,
• a free version and a condensed premium version,

• and a 200+ page book titled *“What Misfortune Teaches Us,”* exploring vibrational causes behind human suffering.

These resources are wellness-oriented, non-medical, and designed to help individuals understand energetic patterns affecting their lives.

ANNUAL LICENSE – 10-YEAR EXTENDED WARRANTY

A professional energetic license is available for **$125 per year**, providing a full **10-year extended warranty** on all Orgo-Life® equipment.

This license is intended for:
• therapists
• alternative clinics
• wellness professionals

It also provides:
• official visibility in the Orgo-Life® directories on **Orgo-Life.com, MedBedEnergy.com** and **Med-Bed.ca**,
• authorization to use logos, guides, documents,
• inclusion in the certified practitioner community (e.g., on the directory: https://med-bed.ca).

SACRED GEOMETRY & FEMININE ENERGY

The sacred geometry embedded in the Butterfly Plus table is specifically designed to channel **feminine energy**.

The **square shape** symbolizes:
• stability
• protection
• nourishment
• grounding
• deep emotional listening

It is ideal for sessions involving anchoring, emotional healing, and inner reconnection.

In contrast, **circular geometries** in other models represent masculine qualities

such as movement, action and dynamic flow.

THE SACRED BALANCE: EARTH – SKY – LIVING CONSCIOUSNESS

(This section closes the Bloc 2)

The UL-7060 is not just a technological instrument:

It is a **vibrational bridge** between human consciousness and the living frequencies of Mother Earth.

Inspired by Feng Shui principles and Orgo-Life® quantum architecture, it operates according to the wisdom of the **Sacred Square**, symbol of:
• stability
• earthly nurturing power
• the energetic center of the five elements

Each unit functions as a living antenna that draws from Earth's energetic layers to support:
• bio-electromagnetic field harmonization
• memory purification
• emotional stabilization
• diffusion of peace into the environment

The UL-7060 weaves Earth, Sky and Living Consciousness, forming a sacred triangle essential for **Period 9** (the Era of Fire and Consciousness).

UL-7060 QUANTUM MEDBED® – BUTTERFLY EFFECT PLUS ORGO-LIFE®

THE 9 PLANETS (NAVAGRAHA): COSMIC INTELLIGENCE

The UL-7060 also integrates the vibrational science of the *Navagraha*, the nine planetary forces of cosmic consciousness widely used in Ayurveda, Jyotish and Vastu Shastra.

1. **Surya (Sun)** – Vital force, soul radiance
2. **Chandra (Moon)** – Emotions, inner water, sensitivity
3. **Mangala (Mars)** – Courage, vital fire, circulation
4. **Budha (Mercury)** – Mental clarity, cellular communication
5. **Guru (Jupiter)** – Expansion, growth, abundance
6. **Shukra (Venus)** – Harmony, beauty, vibrational love
7. **Shani (Saturn)** – Structure, karmic protection, endurance
8. **Rahu** – Transformation, multidimensionality, expansion
9. **Ketu** – Liberation, inner awakening, transcendence

Each planet becomes a frequency code embedded in the quantum matrix of the UL-7060.

This system helps balance cosmic influences within the user's aura by supporting:
• karmic stabilization
• spiritual expansion
• purification of thoughts

• emotional grounding

THE BUTTERFLY FORM: METAMORPHOSIS & REBIRTH

The Butterfly Effect Plus is not decorative — it is symbolic and functional.
It represents the passage from *matter ? light*.

In energetic science, the butterfly:
• transforms
• elevates
• purifies
• releases
• stabilizes

Its effect resembles an ascensional vortex that:
• dissolves dense emotional layers
• frees old memories
• harmonizes the chakras
• activates vibrational elevation
• awakens the light-body

The UL-7060 acts as a portal of metamorphosis, guiding the user toward a clearer, more stable and more conscious state.
