In order to obtain the optimal properties of the Orgo-Life® WARRIOR Pendant, we recommend wearing it every day, continuously, for at least 40 days. This can be worn 24 hours a day or just day. Some people will see its effect after only a few days while others will see it much later, but definitely you will get all the desired results after 40 days.

How the Orgo-Life® WARRIOR Pendant works:

We use a special resin to attract all the electrons (+ and -) as well as the positive ions (the bad ions) which will be transmuted into negative ions (the good ions) inside the Orgo-Life® SUPER WARRIOR Pendant. What we want is for all the negative electromagnetic fields and all the positive ions (stressful frequency for the body) that surround you, to penetrate the pendant instead of entering your personal field as well as your body. Less stress, less weakening, your body will be stronger and develop more bio-available energy. And your DNA chain will be less affected.

Once near the pendant, the positive ions (the bad ones) are drawn inside the double copper spiral in order to circulate through a circuit of precious and semi-precious stones selected and your amplifier of Himalayan Crystals, from there, this energy nefarious is transformed into a whole new frequency, amplified by carefully chosen and measured crystals. Once amplified, this frequency of 15 Hz – 5000 Hz emerges and emanates from your pendant allowing us to gradually become this same vibrational frequency, the frequency of the Earth. When the body begins to get out of balance and feel sick, it vibrates at less than 100 Hz, imagine what it would be like to vibrate at an ideal rate of 5000 Hz. Orgo-Life® WARRIOR Pendant users have noticed positive effects such as: much more energy to accomplish your daily activities, more endurance in the face of sustained efforts, better immune defense, etc.

THE Orgo-Life Quantum Push Technology:

With the use of a very unique technology with Orgo-Life The Quantum Push Technology, comes to emanate and propel the energetic fields in an ultra fast and efficient way. Take for example a glass of water, place it on your SUPER WARRIOR pendant, in less than 10 seconds it will be almost completely charged, you will taste the difference. And the same with a 72% dark chocolate. It's so powerful you can even sleep with it under your pillow at night.
